

Diagnosis work. Actividad de diagnóstico. Curso : 2do 2da. Turno: mañana. Materia: inglés.
Profesora: Carmen Julia velardes

" Hello. My name's Carmen Velardes. I'm fifty years old and I'm from Buenos Aires, Argentina. I live in the south of Castelar, in front of the Reserva Urbana. I'm a teacher of English. I work in eight public schools.

I'm married. My husband's name is Mario. We have three children: Macarena, Matías and Marcos. They're 26, 17 and 10 years old. They're all students. My daughter has a child. My grandson is called Juancito. He's 7 years old. My mother is called Lila. She's a housewife. And I have a brother. His name's Paulo. He's 49 years old. He's an engineer. We have three pets: a dog called Felipe and two cats called Perlita and Simón.

I love English. I like Art and History too. I don't like Physics or Maths. I hate Physical education.

My favourite music is Gospel and my favourite band is Barak. My favourite hobby is painting. I love cooking. My favourite food is baked chicken with potatoes. I love making bread and pizza."
